# Betty Stephen Memorial Sport Scholarship for entry in 2022

As the result of a bequest from Old Girl, Betty Stephen, Meriden offers the Betty Stephen Memorial Sport Scholarship to a student who shows exceptional sporting promise at an elite level. The Betty Stephen Memorial Sport Scholarship provides access to coaching, mentoring, training and competition support as well as an outstanding education that will allow the student to grow intellectually, creatively, emotionally, morally, socially and spiritually.

This Scholarship is open to a girl who is entering Year 9 in 2022. The Scholarship may cover up to 75% of the tuition fees from Year 9 to Year 12 inclusive.

## Eligibility

The Betty Stephen Memorial Sport Scholarship is offered to current Meriden students or to students studying at another school who are willing to transfer their enrolment to Meriden at the beginning of Year 9, 2022.

An applicant must be an Australian or New Zealand citizen or the holder of an Australian Permanent Resident Visa, and be enrolled in Year 8 in 2021. The applicant should have strength in a particular sport, preferably a sport that is also offered at Meriden, and be competing at a State or National level. She should be eager to participate in the wide range of opportunities available at the School and respect the philosophy and rules that govern the School.

Any student awarded a Betty Stephen Memorial Sport Scholarship is expected to contribute generously to the sporting life of the School as determined by the Director of Sport.

## What does the Sport Scholarship cover?

The Betty Stephen Memorial Sport Scholarship may cover up to 75% of the tuition fees from Year 9 to Year 12 inclusive. The Sport Scholarship applies only to the tuition fees; all other costs associated with uniform, textbooks, the resource fee, tournament charges, etc still need to be met by the parent/legal guardian.

## Conditions of the Sport Scholarship

The Betty Stephen Memorial Sport Scholarship is based on sporting ability, general ability in both academic and cocurricular areas, school reports, NAPLAN results and an interview with the School Principal.

Students awarded a Betty Stephen Memorial Sport Scholarship are expected to show leadership and be good role models in sport and for the sport within Meriden School and the wider community.

The Betty Stephen Memorial Sport Scholarship is offered unconditionally and without review. Nonetheless, should the awardee fail to contribute in a generous and positive way to the sporting life of the School and/or the development of her sport at Meriden, the ongoing application of the Sport Scholarship may be in jeopardy. This includes areas associated with her academic performance, attendance at training sessions, sport matches, pre-season training, tour matches, sporting camps and sportsmanship. She also needs to be an exemplary member of the School community.
