

Indiya selected for All Australian Tennis Team

Year 12 student, Indiya McLeod, has been recognised as one of Australia's top-performing tennis players after being selected as one of ten members of the 2022 All Australian Girls Tennis Team.

Recently, Indiya served as captain of the New South Wales team at the Pizzey Cup, a prestigious national tournament held in Western Australia that sees the top eight female and male players from each state and territory compete for the Australia Cup.

Indiya remained undefeated during the tournament, winning all five of her singles matches. She helped to propel the New South Wales team to a silver victory and was announced as the team's player of the tournament.

Congratulations, Indiya. The School community is proud of the dedication you show to your sport.

Indiya McLeod, Year 12
