

# Meriden athletes secure best ever result at IGSA Carnival

---

Meriden's champion Athletics team has dominated the IGSA Sport Track and Field Carnival to place second overall - the best ever result in the School's history. The team won an outstanding sixteen gold, seven silver and eleven bronze medals. After placing twelfth in 2018 and fifth in 2019, Meriden has established itself as one of the best IGSA schools for athletics.

There were many highlights of the day, including our Junior Relay Team setting a new record for the 100-metre event and Year 11 student, Ada Rand, being named the overall Senior Champion after winning all three of her individual events, while Karina Bell finished in a close second place. Alexandra Richards also set a new record for the 18 Years 100-metre Hurdles, despite competing in an age group above her own.

In addition, Audrey Sutton, Bronte Locane, Caitlin Yeoh, Olivia Achike and Rekha Levine all won individual events at the carnival.

To top off the exceptional results, twenty-two personal best performances were achieved by members of the team. Meriden finished in first place in the Junior Division, second place in the Senior Division and third place in the Intermediate Division out of a total of twenty-seven schools.

Congratulations to all the girls on their success.

2022 Meriden IGSA Athletics Team
