

IPSHA Athletics Carnival

On Monday, thirty Junior School girls competed in the 2022 IPSHA Athletics Carnival, held at Sydney Olympic Park Competition Arena.

As this carnival had not been held since 2019, the girls were eager to compete in their chosen track and field events against other IPSHA schools. The girls had been training tirelessly under the watchful eyes of Meriden Head Athletics Coach, Mrs Nicole Boegman-Stewart, to prepare for the day. These training sessions proved to be very valuable, with several girls achieving personal best performances at the Carnival.

Congratulations to Juliet Maroun, Year 6, who placed second in the 11 Years Discus event and Sophia Kirkland, Year 5, who placed third in the 8-10 Years High Jump event. Juliet and Sophia will represent IPSHA at the CIS Primary Athletics Championships in a few weeks.

Below are the excellent results from the team:

Juliet Maroun	• 11 Years Discus, Second
