

Excellent results in Australian History Competition

Meriden students in Years 8 and 10 have once again achieved outstanding results in the Australian History Competition, with twenty-two students receiving High Distinctions, while twenty-eight students earned Distinctions.

The Australian History Competition is an annual assessment that aims to encourage students' interest in History. It involves a multiple-choice examination based on the Australian Curriculum and tests students' interpretation and prior knowledge and their ability to analyse historical sources.

We congratulate all our participants on their efforts in this competition. A special mention to Year 8 students, Keira Taganesia and Jean Xu, who were Meriden's highest achievers, receiving scores of ninety-six out of one hundred.
