

Senior School Netball Report

*The following report has been written by Meriden's 2022 Netball Captains and Year 11 students, **Annika Bowden** and **Ashley Jackson**.*

The Term 3 IGSA Netball Competition was highly successful for all twenty-three Meriden teams. This was our first uninterrupted season since 2019, and the girls enjoyed the opportunity to improve their skills and confidence in the sport whilst playing with their friends. The Sports Centre was open during lunchtime for girls to train, and this extra practice paid off on the court each Saturday.

Fourteen Meriden teams made the semi-finals, including the Year 7 Division 1, Junior First and Senior First teams. Five teams continued on to the grand finals. Congratulations to our Year 7 Meriden 19 and Meriden 22 teams which were victorious in their grand finals.

All players thoroughly enjoyed this Netball season and are looking forward to playing again next year. Thank you to all the amazing coaches, Ms Samantha Dale and the Sports Department who helped make the season so successful.

A special congratulations to all girls who received the Best All Round and Most Improved awards in their teams this season. [Click here](#) to view the recipients.
