

NSWCIS Primary Athletics Championships

Juliet Maroun, Year 6, and Sophia Kirkland, Year 5, represented IPSHA at the NSWCIS Primary Athletics Championships last month, held at the Sydney Olympic Park Competition Arena.

Both girls had never competed at these Championships, so the experience proved to be a great learning opportunity. Juliet Maroun placed ninth in the 11 Years Discus event, while Sophia Kirkland placed fourteenth in the 8 - 10 Years High Jump event.

The Championships instilled the girls with a greater passion for their sports and they are looking forward to continuing to improve in their events.
