Meriden's School Uniform

Meriden girls have been wearing their uniforms proudly since the navy pinafore was introduced at the School in 1921. While its silhouettes have moved with the times, the Meriden uniform has always been the mark of young women who care about their education, their communities and effecting positive change in the world.

Meriden's contemporary school and sports uniforms have been custom-designed and carefully considered, using high-quality, cutting-edge fabrics that balance form and functionality, whether girls are in the classroom or on the sporting field.

New and pre-owned uniforms are available for purchase from the Meriden Uniform Shop. School and sports uniforms for students from Pre-Kindergarten to Year 12 are stocked, except for shoes, sport shoes, goggles and underwear. A range of accessories and supporter's wear is available.

This booklet contains details of the manner in which the Meriden uniform should be worn across all grades, activities and seasons.
