

Tertiary and Careers news

University Information days

All major universities will hold Information days for Year 12 in mid-December. Check the [UAC guide](#) and each university's website for specific dates and further details.

Year 10 Student Futures Day

Year 10 Student Futures Day was held on 11 November. What a wonderful opportunity this was for Year 10 students to hear from our alumnae about their work, tips on interviews and factors to consider when making decisions about a future career.

Ms Meg Hall
