

# Valentyna captains New South Wales Team

---

Valentyna Rosa, Year 6, recently served as captain of the New South Wales Team at the School Sport Australia Primary Tennis Championships.

Valentyna displayed her dominance on the court throughout the tournament by convincingly winning all her singles matches and only losing one mixed doubles match. These fantastic results contributed to the New South Wales Team placing third overall in the Championships.

Valentyna said she felt privileged to have been the New South Wales Captain and that the experience enhanced her leadership skills. Valentyna thoroughly enjoyed the team environment and strong camaraderie among players, especially as tennis is predominately an individual sport.

Thank you to the Meriden Tennis coaches for the guidance and knowledge you have provided to Valentyna, which has resulted in her competing against some of the best young tennis players in Australia.
