

Junior School Term 4 Saturday Sport Report

IPSHA Basketball and Tennis

The Term 4 IPSHA Saturday Sport Competition was very popular in the Junior School. Meriden entered more teams in the Basketball and Tennis competitions than any other term of sport. Meriden hosted Basketball games at the Senior School Sports Centre and Tennis matches at Southend Tennis Centre.

The girls remained committed and enthusiastic team players throughout their weekly training sessions and Saturday matches. This resulted in significant improvements in their technical skills, strategy and gameplay across the two sports. Congratulations to the Hurricanes Basketball team for remaining undefeated throughout the season.

Thank you to the parents for supporting the girls on the sidelines. Students demonstrated a high degree of sportsmanship and fair play throughout the season and Meriden staff and coaches were proud of their achievements.

Congratulations to the following girls who were named Best and Fairest and Most Improved in their teams:

Year 6 Basketball – The Opals	Best and Fairest – Allegra Karagounis Most Improved – Mia Raju
