## IPSHA Tennis Trials

Meriden students Aleksija Vujcic, Year 6, and Juanita Khnanisho, Year 5, recently competed in the IPSHA Tennis Trials.

Despite the warm weather, both girls kept their cool by executing smart shot selections and maintaining their routine. Aleksija won her opening matches and advanced to the playoff round where she was defeated in a close match. Aleksija has been selected to the IPSHA Tennis Team as the number two player and will compete at the CIS Primary Tennis Selection Trials next week.

Juanita displayed impressive form on the court to progress to the top eight in the competition. Despite facing tough opponents, Juanita won a match and finished in sixth place overall - a fantastic achievement.

Thank you to Meriden Head Coach - Performance and Development, Mr Ross Anton, for attending the trials and assisting with the selection of the IPSHA Tennis Team.
