

CIS Primary Tennis Selection Championships

Year 6 Meriden student, Aleksija Vujcic, has continued her impressive form on the tennis court after topping her pool at the CIS Primary Girls Selection Championships.

This fantastic result led to Aleksija being selected to represent CIS at the NSWPSSA Tennis Championships, due to be held in Albury in May. The CIS Tennis Team is a strong contender to receive a medal at the championships.

Thank you to Meriden Head Coach - Performance and Development, Mr Ross Anton, for attending the trials and assisting with the selection of the CIS Tennis Team.
