

2023 Senior School Fun Run

After the event was unable to be held in 2022 due to wet weather, the Senior School Fun Run returned to Bressington Park this year with perfect running conditions. The course layout provided a great vantage point for those not running to cheer and support students from their Houses.

There was strong participation from the girls across all year groups, with several fast times recorded. From these performances, Meriden will select a competitive Cross Country Team to compete at the IGSA Cross Country Championships in Term 2.

Senior School students competing in the Fun Run

Congratulations to Cumberland House on winning the House Spirit Trophy for the best cheer and to Kent House on winning the Fun Run Inter-House Trophy for the most participation. It was also great to see several teaching and support staff participating in the last race of the day.

Thanks again to Friends of Meriden Sport for providing a great bake sale with lots of delicious treats for all to enjoy on the day.

The results of the top three placings in each age group are included below.
