University and TAFE News

Australian National University

Applications open until 15 May

If you are interested in applying directly to ANU rather than through UAC, please keep in mind that applications are open until 15 May. [Click here](#) to find out more about the ANU and its application process.

University of Sydney's International Science School

Applications are open until 6 April

The fully residential International Science School returns to the University of Sydney in July 2023. Join top science students from Australia and around the world for two weeks of inspiring talks by world-renowned scientists, visits to cutting-edge research facilities, hands-on experiments and activities, and a packed program of social events. ISS2023 will run from Sunday 2 – Saturday 15 July 2023. Science enthusiasts in Years 11 and 12 in 2023 are encouraged to apply. [Click here to apply.](#)

Experience Day UNSW Sydney

18 - 20 April 2023

This is your opportunity to get hands-on experience in the areas of study that interest you and discover what it is like to be a UNSW student. You will have the opportunity to build your own schedule: choose two workshops, attend inspirational talks from some of UNSW's leading thinkers and innovators, and connect with attendees and current students. [Click here to register.](#)

AIE Industry Experience Day

12 April 2023

AIE's Industry Experience Day is a great opportunity for students in Years 10 - 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will have the opportunity to learn about the different pathways to get into the industry, and what should be in a portfolio. There will also be an opportunity to get creative in practical workshops using industry-standard 3D animation and game development tools.

The sessions are run by industry professionals who have worked on some blockbuster games and films. Everything is provided for you to participate in the hands-on workshops, and you will be using the same software that is used in the industry. [Click here to register](#) for this free event.

Create for a Day at SAE Institute

15 - 29 April 2023

SAE Institute is opening its doors this April for a one-day program, designed to expand your skills and get you working on inspiring creative projects in the fields of animation, audio, design, film, games, music production and songwriting.

Experience life as an SAE student and discover what it means to be a creative professional, in state-of-the-art facilities with industry experts. During the workshop, attendees will learn valuable practical and collaborative skills to build a creative piece of work. They will also receive a certificate of participation to acknowledge the creative project they have undertaken. Due to the level of workshop content, this event is open to school students in Years 10 and above. Please note spaces for this event are limited. [Click here](#) to register.
