

# NSW All Schools Tennis Championships

---

Five Meriden students travelled to Bathurst last month to represent CIS at the NSW All Schools Tennis Championship. Despite the wet weather interruptions, the girls displayed exceptional skills on the court and helped to propel the CIS Tennis Team to victory.

The top girls in the competition went on to compete for a position in the NSW Pizzey Cup Team. After several close matches, four Meriden students were selected to compete for New South Wales at the Pizzey Cup Championships, which will be held in May.

Congratulations to the following Meriden students who have been selected for the team:

- Giselle Guillen, Year 9
- Abigail Gunawan, Year 9
- Soha Singh, Year 12
- Miranda Xu, Year 11

Thank you to Mr Ross Anton for attending the event in support of the girls and the CIS Tennis Team.
