

Senior School Tennis Report

Over 130 girls eagerly represented Meriden in the IGSA Tennis Competition throughout Term 1. We were grateful for the fantastic weather throughout the season and the minimal wet weather interruptions.

Twelve teams finished in first place, three teams finished in second place and four teams competed for third place. The final of the S01 division saw an all-Meriden final, with Meriden 1 taking home first place.

After an undefeated season, Meriden 14 topped the J01 division, and Meriden 24 was awarded runners-up in the Y701 division. All teams showed exceptional improvement in their tennis skills and development throughout the season.

We thank the Meriden Tennis Academy coaching staff for their commitment and support of the players each week.

Ms Shannon Campbell
Tennis Administrator
