

Term 2 Saturday sport in the Senior School

Football report

In Term 2, Meriden competed in the IGSA Football Competition, fielding six teams from Years 7 to 12. The season was filled with exceptional football, as the girls consistently performed at high standards and met every challenge with a resounding response.

Meriden's Senior Firsts competed in the S02 division and put in a fantastic performance to finish third, narrowly missing out on a higher win. Meriden's Senior Seconds and Junior Firsts had outstanding seasons, with the teams finishing in first place against strong competition.

The girls supported each other at every match and demonstrated team spirit in testing conditions.

Coach Amber Krebs and Mr Luke Mottee empowered their teams to perform at the highest standard each week, resulting in both teams claiming victory in five out of their seven matches.

Our other teams also performed strongly throughout the term, with our Senior Thirds and Junior Seconds finishing in third place, while our Year 7 team finished fourth after a challenging season.

All girls put in a fantastic effort, and the coaches should be congratulated for their positive contribution to the development of the players throughout the season.

Congratulations to the girls named "Best and Fairest" and "Most Improved" in football in 2023.

Mr Mark Heathcote

Director of Sport (Years 7 – 12)

Basketball report

In Term 2, seventeen Meriden teams participated in the IGSA Basketball Competition. With the invaluable contribution of our skilled new coaches, we witnessed impressive progress in the girls' abilities, leading to outstanding achievements. Among the highlights were: Meriden 12 remaining undefeated throughout the season; the well-deserved victory of Meriden 16 in its division; and the commendable second-place finishes of Meriden 4, 6, 8, and 17.

The guidance of the coaches along with the girl's sportsmanship, skills and work ethic must be commended. It has been inspiring to see the community and connections developed across the different age groups.

During one round of the competition, Meriden players donned pink socks and ribbons to raise funds and awareness for the Breast Cancer Network Australia, an organisation dedicated to ensuring those who are affected by breast cancer receive the best care, treatment and support. It was a great opportunity, with many schools and sporting codes getting involved.

Angie Le Roux, Year 10

Eva O'Dell, Year 10

It was a fantastic season full of strides in ability, great results, joy, support for one another, and sportsmanship resulting in several smiles on the court.

We look forward to seeing the girls back on the court to represent Meriden in the 2024 season.

Miss Lauryn Walker

Head Coach – Court Sports and SCM
