

Meriden girls named State Champions in Australian History Competition

Congratulations to Emily Seto, Year 8, and Natasha Laggas, Year 10, who have been named State Champions of the Australian History Competition after achieving the highest scores in New South Wales in their respective divisions. The girls were awarded medallions for their outstanding results.

The Australian History Competition is an annual assessment that aims to encourage students' interest in History. It involves a multiple-choice examination based on the Australian Curriculum and tests students' interpretation and prior knowledge and their ability to analyse historical sources.

We congratulate all our participants on their efforts in this competition.

Mrs Carlee Richardson
Assistant Head of History

Natasha Laggas, Year 10, and Emily Seto, Year 8
