

Athletics – Coast2Coast International Meet

During the recent school holidays, eight Meriden students attended the Coast2Coast International Athletics Meet held on the Gold Coast. The event was a great introduction to the upcoming IGSA competitions, due to be held later in Term 3, and an opportunity for the girls to experience international competition in a relaxed environment.

Throughout the meet, the girls competed against high school students from America, New Zealand, Papua New Guinea and Fiji as well as interstate competitors from Queensland, South Australia and Victoria.

Meriden students brought home six individual medals, two relay medals and seven personal best performances.

Outstanding performances came from both Emmanuella Omage, Year 9, and Audrey Sutton, Year 11. Emmanuella achieved personal best times for the 100-metre and 200-metre events respectively. Audrey won both the Long Jump and Triple Jump events and helped to anchor the winning 4 x 100-metre Relay event. [Click here](#) to view the results.
