School Sport Australia Swimming Championships

Jenny Li and Lucinda Buckley

Meriden's Junior School girls secured three medals for New South Wales and achieved personal best performances at the School Sport Australia Swimming Championships, held at Sydney Olympic Park Aquatic Centre in August.

Jenny Li, Year 5, swam a three-second personal best time to place second in the 10 Years 50-metre Butterfly event. She was only ten one-hundredth of a second off first place. Jenny helped to secure a gold medal in the 10 Years mixed 200-metre Medley Relay. She was also a member of the 10 Years 200-metre Medley Relay and Freestyle Relay teams, which placed fourth in both events.

Lucinda Buckley, Year 6, swam half a second personal best time to place sixth in the 12 Years 50-metre Butterfly event and swam in the NSW 12 Years 200-metre Medley Relay team, which placed second. She also produced personal best times in the 12 Years 50-metre Backstroke and 100-metre Butterfly events to place seventh and eighth respectively.

These championships were a great experience for both girls and a testimony to their hard efforts and dedication to their sport. Congratulations, girls, on achieving fantastic results in the pool!
