

P and F Father's Day Breakfast

The Senior School Father's Day Breakfast was held on Tuesday 29 August on a beautiful winter morning and was well attended by Meriden's fathers and daughters. Bacon, sausage and egg rolls, pastries and fruit were prepared by the Parents and Friends' Association and a coffee cart was a welcome treat for the morning.

The Parent and Friends' Association would like to extend its sincere thanks to the Watt family for donating the majority of the BBQ ingredients as well as to the Ambanavos family for preparing many coffees and hot chocolates for us to enjoy. Thanks also to those who donated the door prizes including BareWolf who provided a pack of cruelty-free men's skin care products and the Uniform Shop for providing other merchandise. And finally, thanks to the Meriden staff for helping make the day run smoothly once again.

Mr Stephen Howison
