

Twelve medals secured at NSW Athletics Championships

Thirteen Meriden students participated in the NSW CIS Athletics Championships, coming away with some outstanding results. The girls secured six gold and four silver medals in individual events, and both relay teams clinched gold medals.

Highlights came from Bronte Locane winning gold in the 15 Years 100-metre and 200-metre events and setting a new CIS record for the 200-metre event. Bronte, together with Adriana Borg, Rekha Levine and Kiera Krebs, achieved a substantial victory in the Open 4 x 100-metre Relay, establishing a new CIS record of 48.89 seconds.
