

Term 3 Senior School Football report

In Term 3, Meriden competed in the IGSA Invitational Football Competition for the first time, fielding three teams.

Throughout the season, the students expanded on the skills they learned during Term 2 and began to flourish in their teams. We moved to a new home venue, Tom Wills Community Field, and we were blessed with perfect weather every week.

Our Senior Firsts team competed in the S02 division, placing first before losing in a tough semi-final match. The girls showed determination and strength during every game.

The Junior Firsts team encountered a tough season competing in the J01 division for the first time, and Coach Ari and Mr Mottee encouraged the girls to consistently play at their own personal best. While the season was not easy, the girls enjoyed themselves and progressed in their skills.

The Junior Seconds team had a mixed season and experienced inconsistent results. The team demonstrated significant skill growth, thanks to the girls' unwavering commitment to their training and their punctuality for every session.

The girls put in a fantastic effort throughout the season, and the effect of the FIFA Women's World Cup is still being felt around the school.

Congratulations to the girls named "Best and Fairest" and "Most Improved" for Football during Term 3.
