

Aleksija and Joyce shine at School Sport Australia Tennis Championships

Aleksija Vujcic, Year 6, and Joyce Sun, Year 5, recently represented New South Wales at the School Sport Australia Tennis Championships in Brisbane. This prestigious event sees the best school students aged 12 and under compete for the Bruce Cup Title.

Throughout the tournament, Aleksija and Joyce showcased their dominance on the court, exhibiting astute shot selections and demonstrating exceptional levels of fitness and agility. Consequently, both girls emerged victorious in the majority of their singles and doubles matches. These outstanding performances played a crucial role in the New South Wales Team securing second place overall in the Championships.

The girls thoroughly enjoyed the team environment and the strong camaraderie among players, particularly considering that Tennis is primarily an individual sport.

Thank you to the Meriden Tennis coaches for the guidance and knowledge provided to Aleksija and Joyce, which has enabled the girls to compete against some of the best young Tennis players in Australia.
