

Changes to the Meriden bus management system

From Term 1 this year, Meriden will be implementing a new system that allows students to tap on and off the School's buses. In the coming weeks, the RollCall system will be rolled out. It is important to note that there will be no changes to bus routes or bus stops as a result of the system change.

If your daughter is a current bus traveller, or you have applied for her to use the bus in 2024, you will have been contacted by email before the beginning of the school year. If you have not received this email and your daughter uses the Meriden buses, please contact the Administration team.

To ease the introduction of the new system, tapping on and off buses will be optional on Thursday 1 and Friday 2 February 2024, and bus travel will be free in Weeks 1, 2 and 3 of Term 1, 2024.

If your daughter is not a current bus traveller and you would like her to use the buses in 2024, please [click here](#) to complete the application and return it to the Administration team.

Mr Richard Arkell
Head of Operations
