

Junior School Swimming Carnival 2024

The Junior School Swimming Carnival offered a fantastic beginning to the school year. From swimming to chanting and supporting their peers, each girl fully embraced the event.

The competitive spirit in the pool and in the stands amongst House groups was evident from start to finish and the cheering and chanting were electrifying. There were high levels of participation, team spirit and individual achievement on display throughout the day.

It was encouraging to see many girls competing in multiple events throughout the day, resulting in fifteen more heats in the fifty-metre and twenty-five-metre events compared to last year.

Congratulations girls for challenging yourselves on the day.
