

Athletes compete at NSW State Junior Athletics Championships

Congratulations to the twelve Meriden girls who competed in the NSW State Junior Athletics Championships over the weekend, along with Old Girl Ada Rand.

There were particularly notable performances from Audrey Sutton and Adriana Borg. Audrey placed 2nd in the U18 Women's Triple Jump and 3rd in the U18 Long Jump, both with personal best results. Adriana won silver in both the U17 Long Jump and Triple Jump.

Both girls along with Olivia Achike, Claudia Meaker, Julia Meaker, Emmanuella Omage and Sienna Sukh have qualified for the Australian Junior Athletics Championships which will be held in Adelaide in April.

Congratulations to all our athletes for their outstanding performances!
