

Using the Meriden Bus Management System

From Term 2, bookings will be required for students catching Meriden buses to and from school.

Please review your daughter's bus booking on the RollCall app and contact the school reception if you require a permanent change to her bus booking. You can also make one-off changes to bus bookings using the RollCall app.

Cut-off times for changes to bus bookings are:

- **6:00am** for morning travel
- **11:00am** for Junior School student afternoon travel
- **2:00pm** for Senior School student afternoon travel.
