

Exchange to Japan in 2025

We are excited to announce an exchange trip to Japan for students of Japanese in Year 11.

The purpose of this exchange is to provide students with an authentic immersion opportunity in Japan in preparation for their HSC Studies.

The program will consist of a two-week trip to Japan in January 2025 involving one week of homestay attending classes in our sister school in Nishinomiya (near Osaka), and a second week where students will tour Japan with Meriden staff. Additionally, Meriden will host Japanese students for a week in August 2024.

We will hold an information evening on **Thursday 2 May at 6:00pm in LA01** for parents and students, which will provide more details about the program and estimated costs.
