

Senior School Volleyball Term 1 Report

Last term, twelve teams entered the Santa Sabina Invitational Volleyball Competition.

We had a fantastic term of continuous improvement, a great community present at games, and saw some strong results. It was excellent to see the level of participation and skill both increasing together, and the community between the Senior and Junior age groups growing tighter.

With strong new additions to both our coaching and player rosters from last season, we were able to produce some great performances and saw highlights across all teams.

One of the highlights was the performance and team environment of our Meriden 1 Volleyball team, which went undefeated for the season and took home the Santa Sabina Invitational Championship Division title.

Following closely in their footsteps, our top Year 7 team had an incredible season of development and claimed their respective title as well. Meriden 2 and 3 placed second, and Meriden 8 placed third.

Congratulations to all girls involved for their achievements.

Beyond on-court performance, another highlight was the community that was formed between the Year 7 teams. Both teams showed great joy and dedication towards learning the skills of volleyball and all girls had improved significantly by the time we reached the end of the season.

Every training and Saturday game, girls encouraged each other, worked together, and walked off the court with a smile.

We are immensely proud of the level of sportsmanship, energy, and encouragement the girls displayed every Saturday.

As we eagerly await the start of the Term 4 Santa Sabina Competition, we look forward to seeing the girls back on the court for pre-season in Term 3.
