

Runners compete at IGSA Cross Country Championships

A strong squad of forty-two students recently competed at the 2024 IGSA Cross Country Championships at the Frensham School in Mittagong.

Consolidating on the squad's performance from 2023, the Meriden team placed sixth overall out of twenty-seven schools for the second year running.

Some of our best results came from Year 11 student Claudia Meaker, who placed second in the 17 Years 4000m event. Along with Claudia, solid performances from Angie Le Roux (thirteenth place) and Alannah Roberts (fourteenth place) saw the 17 Years team place second overall and qualify for the CIS Championship.

The 12 Years team (Yuxi Chen, Ella Clayton, Anne Corbett, Martha Reid, Chloe Symonds and Aleksija Vujcic) performed well, narrowly missing the podium by two points to place fourth overall.

Strong place finishes also came from Julia Meaker who was fifth in the 15 Years 4000m and Anna Cocks who placed sixth in the 16 Years 4000m.

Nine girls have been selected to represent Meriden/IGSA at the NSW CIS Cross Country Championships on 6 June, which is Meriden's highest number of representatives at this event.

Congratulations to the following girls:

- Martha Reid – 12 Years 3000m
- Chloe Symonds – 12 Years 3000m
- Sienna Sukh – 14 Years 4000m
- Julia Meaker – 15 Years 4000m
