

Prepayments available for 2025

Parents have an opportunity to prepay school tuition fees for 2025 at the 2024 Schedule of Fees rates.

Prepayment can be made for one year only. For example, if your daughter is currently in Year 10 and you wish to prepay the fees for Year 11, then the total prepayment amount for Year 11, 2024 would apply and you will not be affected should there be an increase of fees in 2025.

To take advantage of this option, payment would need to be made **prior to Friday 15 November 2024**. The prepayment option is inclusive of school Tuition Fees, Resources Fee, and Capital Levy. Any other incidental charges will be due and payable per term in accordance with the School's Terms of Enrolment.

Families interested in this prepayment option should contact Business Services via telephone on 02 9752 9414 or email business.services@meriden.nsw.edu.au for further information.
