

Senior School Netball report 2024

Twenty Meriden teams entered the IGSA Netball competition this term. It was a great season, with all teams displaying a passion for the game, supporting one another, and consistently improving across each match and training.

Netball Captains Abbie Kemp and Elissa Hook led their teams with grace and composure throughout the season.

The students demonstrated unwavering sportsmanship throughout every game and had great support for each other and other Meriden teams. We saw our Saturday morning home games filled with support from parents, students and teachers alike. It was an excellent atmosphere for the students, and we look forward to this continuing in the future.

All teams should be commended for their commitment to improvement this term, and the way they represented Meriden as a school. Overall, eleven teams progressed to the Semi-finals, four to the Grand Finals, and Meriden 05 and Meriden 09 won their respective Divisions.

We were privileged to have a wide range of coaching staff on board, including Mrs Lisa Brown and Mrs Jessica Chilton, who guided our Year 7 1st team. Their team had a standout season, narrowly missing out on making the Grand Final. All teachers and coaches all worked together to lead their respective teams and ensure the students had a successful and enjoyable Netball season.

Pre-season Netball will commence in Term 2 next year.

We look forward to witnessing the girls continuing to represent Meriden with the same energy, sportsmanship, and skill they have demonstrated this term. Their dedication and performance have set a high standard, and we are excited to see them compete in the future Netball seasons.
