

# Swimmers impress at IPSHA Swimming and Diving

Meriden girls delivered impressive performances at the IPSHA Swimming and Diving Carnival. The Junior Girls relay team narrowly missed first place and is a strong contender to qualify for the NSW PSSA Swimming Championships for the third year in a row.

Claire Huang, Ellie Ye and Liliana Zhou had packed schedules and earned top places in several events.

Meriden will be sending a team of 11 girls to represent IPSHA at the CIS Primary Swimming and Diving Championships later this month. This is the largest team ever to qualify for these Championships, and the girls are thrilled for the chance to compete at such a high level.

Congratulations to all the girls who took part and gave their best performances.

The Swimming and Diving highlights are outlined below.
