

Outstanding Sydney Eisteddfod results for Meriden

June has been an exciting month for our Music Ensembles.

Over 450 students competed in 13 different events at the Sydney Eisteddfod, showcasing the breadth of the Music program and the dedication of all the girls and music staff. The adjudicators provided some excellent feedback on our repertoire, and it was very valuable for the girls to see performances from ensembles from schools all over Sydney.

Thank you to the parents who have been in the audience to support the girls and enjoy the performances in the beautiful acoustic of the The Concourse, Chatswood. Congratulations to each and every student for your outstanding performances. We are proud of you all.

Senior Singers, who earned an impressive first place, will now be competing in the John Lamble Foundation Australasian Championship for Youth Choirs on Thursday 26 June at 7:00pm. [Tickets are available here.](#)

Parents and friends are warmly welcome to our Music Ensembles concerts on Thursday 19 June (this evening) for our Senior School ensembles and Thursday 26 June for our Junior School ensembles. Come along to hear some of the repertoire featured in the recent Eisteddfod performances.

Ms Jodie Spooner-Ryan
Dean of Music (P-12)
