

Role Description

Internships: Design and Creative Arts (Food Technology, Design Technology, Art)

Reports to

Dean of Community Learning

Position: Casual (must be available for minimum 6 hours per week), term time only

Role Purpose

This role seeks to provide an enriching opportunity for tertiary students to experience and be exposed to school life both inside and outside of a formal classroom setting. There will be opportunities to be actively involved in Meriden's rich cocurricular program and other events related to the individual's discipline.

Responsibilities

The Intern program will be reflective of each teaching faculty's needs. Individual responsibilities aim to provide interns with a diverse range of tasks and experiences across the school, in both curricular and cocurricular settings.

Qualifications

- Currently undertaking tertiary studies in Secondary Education – open to all years

Other Skills and Attributes

- Proven organisation, time management and communication skills
- Intermediate knowledge of Microsoft Office programs
- Ability to work as part of a team
- Fully embrace and support the Christian ethos of Meriden
- Loyalty to the School and the Principal.
