

IGSA Basketball Term 2 2025

Meriden entered 13 teams in the Term 2 IGSA Basketball Competition. The teams showed tremendous effort, growth and sportsmanship. There was constant support for each other, as well as for other teams throughout the term.

We celebrate the achievements of our players, with three teams finishing in first place and four teams earning second place—testament to their dedication and teamwork. Beyond the wins and standings, the season highlighted significant improvements in skills, communication and confidence across all teams.

We had a variety of players in the competition, from the first timers in Year 7, to our very experienced Meriden 1 and senior teams. It was fantastic to see the commitment and enthusiasm on and off the court. Our coaches were also instrumental in creating a positive and supportive environment for team development.

Further, we had a successful school representation season with Sophia Kanbour making the U16 IGSA Team, and Lily Johnson making the U19 Barbarians Team during the NSW CIS Basketball Trials. Overall, it was a season filled with growth, resilience, and school spirit, and we look forward to building on this momentum next year!

Preseason Basketball will recommence in Term 1 next year and our high performance players will continue to train in Terms 3 and 4, to prepare for upcoming tournaments.
