

IPSHA Athletics Carnival

Last month, 23 Junior School girls represented Meriden at the 2025 IPSHA Athletics Carnival, held at Sydney Olympic Park Competition Arena.

Despite the event taking place just two days after our own school carnival, the team performed exceptionally well, with many students achieving personal bests.

We are proud of their outstanding individual efforts and the collective achievements of the team throughout the day.

Congratulations to Year 5 student, Jade Pan, who placed fourth in the 11 Years Discus event and has been selected to represent IPSHA at the NSW CIS Primary Athletics Championships.

Thank you to the parents who attended the carnival and supported the Meriden Athletics Team.

Below are more excellent results from the team:
