

Term 3 Senior School Netball report

Over 170 students represented Meriden in the Term 3 IGSA Netball competition, with five teams qualifying for the semi-final and three teams successfully progressing to the grand final.

After an outstanding season, Meriden 01 was defeated in the S03 final. In the Y703 division, Meriden 14 was narrowly defeated in the final by just one goal. Remaining undefeated throughout the regular season, Meriden 02 was victorious in the S05 final.

Despite numerous weather interruptions throughout the term, all teams displayed perseverance and consistent development, with several teams placing fifth overall, narrowly missing out on a spot in the semi-final.

We thank the Meriden Netball coaching staff for their continued dedication and commitment throughout the season.
