

# Role Description

## Mathematics Teacher

---

### **Reports to:**

Head of Department – Mathematics

### **Position:**

This is a permanent full-time role commencing Term 1 2026.

### **Role Purpose:**

We are looking to appoint a qualified, experienced and passionate teacher to join our high achieving Mathematics department. The successful applicant will possess a deep understanding of content, current syllabus documents and pedagogical strategies. They will be driven by a passion for Mathematics and can work positively and collaboratively as part of a dynamic team.

### **Responsibilities:**

- Teaching a range of Mathematics classes
- Taking a pastoral care group
- Be a positive and generous member of the Mathematics department.
- Attending to other duties as required (e.g. playground duty, going on camp).

### **Essential Criteria:**

- A passion for Mathematics education combined with an ability to encourage and instil students with academic confidence
- Collaborative skills and an open mind
- Innovative life-long learner, committed to developing professional practice

### **Qualifications**

- Tertiary degree in Mathematics education

### **Other Skills and Attributes:**

- Clear and effective written and oral communication skills
- Demonstrates proficient ICT skills and expertise in integrating technology into the classroom
- Displays excellent interpersonal and communication skills, and a high level of collaborative practice
- Positively contributes to and works as an effective team member
- Possesses a broad and deep understanding of current educational issues, curriculum development, and contemporary pedagogical theory
- Represents the School proudly and appropriately, with high standards of speech and attire

- Clear and effective written and oral communication skills
- Loyal to the School and the Principal
- Supportive of the Christian ethos of Meriden.
