

# Record achievements in Mathematics

Meriden students have once again achieved outstanding results in a range of mathematics competitions held throughout the year.

We congratulate all our participants on their efforts in these competitions.

## The Australian Mathematics Competition

The Australian Mathematics Competition is an annual competition designed to challenge and extend students' problem-solving skills.

Congratulations to the following girls for achieving a Prize (top 0.3%) in the competition.

Cindy Shen, Yiru Li and Lillian Shen

Year 7	Year 10
Grace Yan Irene Zhang	Yiru Li Cindy Shen Lillian Shen

The following students are commended for achieving a High Distinction (top 3%) in the competition.

Year 7	Year 8	Year 9	Year 10
Asha Fox Ashley Lin Emma Sun Kaitlyn Xi Chloe Xiang	Yuri Han Isabella He Elvia Lin Angel Yang Ella Zhang	Alice Feng Chloe Li Valentyna Rosa Mia Wu Xylia Yang Bella Yao	Emily Ng Amelia Von Isabella Zhu

## Australasian Problem-Solving Mathematical Olympiads (APSMO)

The APSMO Mathematics Olympiad is an inter-school competition designed for students in Years 7 and 8. It consists of four separate 30-minute competition papers.

Congratulations to Grace Yan, Year 7, on achieving a perfect score in the Olympiad. Over 15,000 students sat the competition and only 29 students achieved a perfect score.
