

# Year 3 student selected for CIS Cricket Team

---

Aarshiya Nath, Year 3, impressed the selectors with her excellent batting, bowling, and wicket-keeping skills at the recent CIS Primary Cricket Trials.

Her strong performance earned her a place in the CIS Team for the NSWPSA Cricket Championships, which will be held in Armidale in February next year. This is an exceptional achievement, particularly for someone so early in their sporting journey.

Aarshiya's love for cricket began at a young age, and she has spent the past four years training with dedication to strengthen her skills.

The Meriden community wishes Aarshiya every success at the Championships.
