

Junior School Swimming Carnival

The Junior School Swimming Carnival was a fantastic celebration of courage and commitment, with many girls pushing beyond their comfort zones by taking on longer distances or entering more events than ever before. This determination was especially evident in the 50m races across all four strokes, which were a highlight of the day.

The atmosphere was filled with energy and encouragement, as girls finished their races to cheers from housemates and friends in the stands. The spirit of camaraderie and wholehearted participation truly captured what the carnival is all about.

At its heart, the carnival is about giving your best and embracing every opportunity — something Mrs Cath Evans exemplified in her opening leg of the Staff versus Student Relay.

We were also reminded that things do not always go according to plan. A false start in the Senior 100m Freestyle meant the competitors had to swim the race again. Congratulations to those girls for stepping back onto the blocks and tackling the challenge a second time with resilience, determination, and grace.

This year, six records were broken in an outstanding display of talent and determination. Rita Fu, Year 4, set a new record in the 9 Years 50m Breaststroke; April Zhou, Year 4, broke the 9 Years 50m Freestyle record, and Lilliana Zhou, Year 6, established a new benchmark in the Open 200m Medley. In the relay events, 4C, 6C, and Kent House also celebrated record-breaking performances.

The title of Primary Swimming Champion 2026 was awarded to Lilliana Zhou, Year 6. Olivia Yuan, Year 4, was named runner-up and received the Morton Cup, while Victoria Li, Year 4, placed third overall.

4C proudly claimed the Class Cup, Durham House secured the Primary Inter-House Swimming Cup, and Kent House earned recognition as the fastest relay team of the day.

Thank you to all the parents and friends who came along to support the girls. The Junior School Swimming Carnival was a wonderful celebration of participation, teamwork, and individual achievement.
