

Junior School Inter-House Fun Run

The Junior School Inter-House Fun Run took place at Bressington Park, Homebush, earlier this month. Despite the hot and humid conditions, Meriden girls approached the course with remarkable determination and perseverance.

It was inspiring to see so many girls take part in the 2,000m and 3,000m competitive events, all aiming to qualify for the IPSHA Cross Country Carnival. Whether running in the participation race or competing for a place, every girl gave her best, pushing herself all the way to the finish line. A particular highlight was witnessing girls crossing the line hand in hand, demonstrating genuine encouragement and camaraderie.

The day was filled with energy, with enthusiastic House chants and strong support from spectators creating a vibrant atmosphere. The much-anticipated teacher-versus-student relay, saw the students claim victory for the second consecutive year.

Congratulations to our outstanding achievers: Jacey Pan, Year 5, who was awarded the Junior Primary Champion 2026, and Doris Xu, Year 3, the Junior Primary Runner-up. In the senior division, Liliana Zhou, Year 6, was named Senior Primary Champion 2026, with Claire Huang, Year 6, Runner-up. The Class Cup was awarded to 4C, while Sussex House took home the Primary Inter-House Fun Run Cup.

It was a privilege to organise this event and to witness Meriden girls embracing the challenge, supporting one another, and enjoying the day to the fullest.

Miss Belinda Wilsher
