

Junior School welcomes the Year of the Horse with festive celebration

On 19 February, the Junior School came alive with colour, music, and excitement as students gathered at lunchtime to celebrate Chinese New Year. Led by the Creativity Team and Culture Awareness Team, the event offered a joyful and meaningful cultural experience for all.

The highlight of the celebration was a vibrant dragon dance parade that wove its way across the campus. Students followed eagerly, cheering and clapping as the dragon brought festive energy and good luck to every corner of the school.

Throughout lunchtime, students also enjoyed a range of hands-on cultural activities. They crafted bright lanterns, decorated traditional red envelopes, and learned about the significance of these symbols in Chinese New Year traditions.

The lively atmosphere, rich cultural learning, and strong sense of community made this celebration a memorable moment for everyone involved.

Dragon dance team: Sharon L, Emily K, Rayla X, Victoria C, Alice L, Alice Y, and Naomi B

Mrs Evans presented red packets to the dragon dance team

Year 6 leaders worked together with Years 1 and 2 students to make red envelopes

Year 4 students proudly showed the lanterns they made
