

# IPSHA Cross Country Carnival

---

Meriden girls produced our best-ever result at the IPSHA Cross Country Carnival, hosted by The King's Preparatory School.

Liliana Zhou placed 3<sup>rd</sup> in the 12 years 3000-metre race, Claire Huang finished 7<sup>th</sup> in the 11 years 3000-metre race, Doris Xu secured 9<sup>th</sup> place in the 8/9 years 2000-metre race, and Jacey Pan placed 15<sup>th</sup> in the 10 years 2000-metre race.

All four girls have qualified for the NSW CIS Primary Cross Country Championships, an incredible achievement, marking the highest number of Junior School girls Meriden has ever had qualify for this event.

Every member of the Meriden team gave their all, tackling the challenging course with confidence and determination. They crossed the finish line with both relief and pride, knowing they had given their best effort.

It was a fantastic day of competition, with each girl celebrating not only their own achievements but also those of their teammates.
