

Representative Honours for Meriden Athletes

NSW CIS Representative Teams

Congratulations to Abigail Gunawan (Year 12), who has qualified for the NSW All Schools Tennis Team. Abigail was first selected by IGSA to represent them at the CIS Trials in February. Following those trials, she was named in the NSW CIS Team to compete at the All Schools Tennis Championships in Bathurst, where she qualified for the NSW All Schools Team. This marks the fifth consecutive year that Meriden has had girls qualify for this team.

Abigail will now represent NSW All Schools Tennis at the Pizzey Cup in Perth later this term.

CIS Water Polo Trials

Four Meriden students were selected to represent IGSA at the CIS Water Polo Trials held in March. A total of 13 girls were selected overall, and impressively, all four Meriden students were successful.

Congratulations to Emily Broadbent, Madeleine Hook, Olivia Rippon, and Georgina Simmons, who were selected into the NSW CIS Water Polo Team. The girls will now compete in the NSW All Schools Tri Series in August.

CIS Golf Championships

At the CIS Golf Championships last term, eight girls were selected to attend the NSW All Schools Championships, which will be held on the Central Coast in late June.

Due to their outstanding play on the day, Constance Wang and Alicia Luo were selected after finishing 1st and 2nd respectively at the CIS event. We wish the girls all the best for the championships later this term.

CIS Volleyball Trials

Congratulations to Esther Ahn and Lorraine Wang on their recent selection into the CIS Under 15 Volleyball Team. Erika Cheng and Ashley Foo were also selected in the CIS Under 19 Team, with Analise Nguyen named as a Shadow Player. The girls will compete at the upcoming All Schools Volleyball Championships next week.

Sydney Interschools Snow Sport Championships

The 2026 Sydney Interschools Snow Sport Championships will be held in Perisher from 14 - 17 July 2026. Students interested in attending these Championships are asked to contact the Director of Sport, Mr Mark Heathcote (mheathcote@meriden.nsw.edu.au), who will complete the Meriden entries for this event.
