

Senior School Fun Run 2026

The Senior School Fun Run was held again this year at Bressington Park, with strong participation and competitive racing across all year groups. Competitors raced over distances of 3000 and 4000 metres, while students running for House points completed the 1000-metre course.

Strong performances in the 16 and 17 year age groups saw cross-country favourite Sienna Sukh (Year 10, Cambridge) take out overall honours, recording the fastest time over the 4000m course.

In the younger age groups, Ilaria Yousif (Year 7, Cumberland) won the 12 years 3000m event, while newcomers Alexis Daly (Year 7, Norfolk) and Leticia Lin-Orme (Year 8, York) claimed victory in the 13 years 3000m and 14 years 4000m races respectively. Elaine Chen (Year 10, Cumberland) was the winner of the 15 years race, and Holly Jackson (Year 11, Warwick) took first place in the 17 years event.

Staff also joined the 16–17 years races, with the hotly contested staff event won by new staff member Mr Lakes. Mr Firth finished a close second, while last year's winner Mr Hughes crossed the line in third place.

In the overall House points tally, Cumberland and York finished tied for first place, with Lincoln securing third. Cumberland also claimed honours for the best House cheer on the day.

Congratulations to all the girls who competed. A draft IGSA Cross Country team has now been selected, with training opportunities available as students prepare for the IGSA Cross Country Championships in Week 3 of Term 2.
